

Sunchase is ready to go GREEN!

FAQ's:

Q: Where can I drop off my recycling?

A: The Sunchase Recycle Center is located in the heart of the community between buildings 2213&2227. Look for the Blue bins

Q: Do I have to sort my items before dropping them off?

A: No just bag up your plastic, aluminum, and cardboard items and drop them off in one of the blue recycling bins.

A few easy ways to go GREEN:

1. Recycle Everything– Even last semester's notes!
2. Carry a reusable water bottle
3. Switch to fluorescent light bulbs
4. Turn off lights and electronics when not in use
5. Walk, ride, carpool around town when you can
6. Use reusable grocery bags
7. Take showers instead of baths
8. Call the Sunchase Office immediately if you notice any dripping faucets or running toilets

How Sunchase is going GREEN:

- * Electronic newsletters– to minimize paper
- * Additional recycling cans throughout property– reduce, reuse, recycle!
- * “Beat the Peak” meters installed– to conserve energy
- * Turning off lights, electronics, and monitors when not in use
- * Controlled thermostat in office– to conserve energy

Arrrgggh you ready to recycle?
